The attached chart shows the different components making up resident fees. These are the Registration, Educational, University Center, Recreation Facility, Graduate Student Association (GSA) and Health Insurance Fees. In addition, California nonresidents and international students pay tuition. The amount of Resident Fees, Nonresident Tuition and Tuition/Fees for advanced and non-advanced students are shown by quarter (F = Fall, W = Winter and S = Spring) and for quarter combination and yearly totals. Also, programs covering partial fees (ICFG, TAHI and TAFE) are listed with quarterly and yearly totals.
