* A doctoral student may receive the reduced nonresident tuition rate with the first quarter following advancement to candidacy and ending three years later.

Notes:

1. The Regents have approved a \$135 per quarter increase in the Educational Fee for Spring 2003 and a \$405 annual increase for 2003-04. The Governor has proposed an additional annual fee increase of \$855 for graduate students beginning Fall 2003. The proposed total Educational Fee for 2003-04 is \$4,156 for resident graduate students, an increase of \$1,260. Only the UC Board of Regents may increase the fees. Current plans call for the Regents to vote on the amount of the Educational Fee increase at their May meeting.
2. The Office of the President has not yet indicated the amount of the non-resident tuition increase. A 4.5% increase is built into the above projections.
3. Graduate student health insurance premiums are projected to increase by 25%.
