

# Doctoral Committee Membership Table

The Doctoral Committee Membership Table specifies which academic titles may serve on doctoral committees and Master's thesis committees and in what capacity. [1,2] The faculty titles listed on the chart refer to UC San Diego appointments only (with the exception of the "Professor from another UC Campus or Non-UC Institution" title).

<sup>^</sup>Confers Academic Senate membership, see <https://senate.ucsd.edu/Operating-Procedures/Senate-Manual/Appendices/105.1>

\*Only one person in this category may serve on the committee unless there are more than four members.

#Adjunct professors and Professors of Practice of all ranks may serve as chairs of doctoral committees as long as a ladder rank faculty member serve as a co-chair.

##Voluntary basis.

+Teaching Professors of all ranks may serve as chair or co-chair with exception by Dean of GEPA or Graduate Council.

<sup>[1]</sup> San Diego Senate Regulation 715.B defines the requirements for doctoral committee composition. A doctoral committee consists of at least four members with faculty appointments at UC San Diego. Eligibility of faculty in different academic series to serve on and/or chair doctoral committees is determined by the Graduate Council.

<sup>[2]</sup> The Doctoral Committee Membership Table applies to Master's thesis committees with regards to which academic titles are eligible serve on these committees and in what roles but the rules for committee composition differ from doctoral committees. For Master's thesis committees: three UCSD members are required, there is no requirement for a tenured outside member, and a fourth member is considered an additional member.
